...making DOOM revolution...

BLACK MANTA - FUCK THEM ALL BUT SIX (PSY 016)

Black Manta from Maryland, USA have been stranded in the Doom Capital of the world for the sole purpose of channeling cosmic waves into Bomb Rock for the armies of freaked out metal disciples.

Featuring on drums legendary JOE HASSELVANDER from PENTAGRAM fame.

Layout by John "Professor" Gallo (Orodruin).

For fans of Hidden Hand, Earthride, Life Beyond, Death Row, Unorthodox, Spirit Caravan, Wretched, Voodoo Shock, and the old school traditional doom metal sound.
