

VOODOO SHOCK

THE GOLDEN BEAUTY / LIVE FOR THE MOMENT 7"
(PSY 024)

Limited (500 copies), hand numbered edition, 7" single by Germany's leading traditional doom outfit, VOOODOO SHOCK.

Features their brand new line-up with two magnificent rockers: "The Golden Beauty", and "Live For The Moment".

VOODOO SHOCK is melancholic yet melodic Doom-metal in the vein of bands such as St. Vitus, The Obsessed, and Spirit Caravan. Sometimes a bit more up tempo and "rocking", but generally speaking slow and very doomy. This is Wino-inspired Doom.
