

Atolah – Relics

(PSY 046)

Crude, sludgy and raw instrumental Doom-metal from OZ. Their riffage is very basic, extremely heavy and solid like a steel mallet. Superb bass lines to add. __Slow and heavy music for those who appreciate their music to hurt to the bone.

TRACK LIST

- 1- Dead Leg
- 2- Relics
- 3- Down It Or Leave It
- 4- Weedy Gonzales
- 5- El Duce
