

# IRON HEARSE / LEATHER NUN AMERICA – SPLIT 7”

(PSY 048)

on psycheDOOMelic records

Recent tour 7" (limited edition of 500 copies, black vinyl) with one brand new track each band.

Hard rocking heavy doom rock on both sides, this 7" shows a perfect continuation of the bands' early sound. Whilst Leather Nun america presents a mid-tempo tune with a strong, raw doomed out rock & roll feel, UK's Iron Hearse brings you a totally groovy and rocking song topped up with Grant's Wino-ish vocals in The Obsessed. Both bands surprised the fans on their recent tour, so now it's your chance to get known these two slow and very doomy Wino influenced doom outfits.
