

# LEATHER NUN

ALL YOUR KIN  
(PSY 029)

Brilliant traditional doom rock from the US with influences of Pentagram, Trouble, and Wino's previous bands. The music is in the vein of The Obsessed, Voodoo Shock, Starchild, and Dreaming. Highly recommended for riff rock maniacs!

## TRACK LIST:

1. Overdope
2. Horsehair and Red Silk
3. Troglodyte
4. The Hunter
5. Maryland Winter
6. The Onkh
7. Urban Plight
8. Melmoth
9. The Oath
