

PSY 044: PLANET GEMINI - WICKED

(DIGIPACK COLLECTOR'S EDITION)

Their first ever real label release and what a massive one it is!
Planet Gemini are purveyors of some of the highest-quality
Sabbath-inspired riffing doom available.

On "Wicked" they produce a much more groove oriented doom
metal that is more Tuned Down yet Mid-Tempo breaking the
traditional rules of slowed down doom metal. Influences include
Black Sabbath, Trouble, sHeavy Candlemass, and other doom
metal bands.
