...making DOOM revolution...

## VOODOOSHOCK VODOOSHOCK - VOODOOM (PSY 009)

voodoom ep

STYLE: TRADITIONAL DOOM METAL

RELEASE DATE: 26.03.2004

IT'S CLEAR THAT UWE AND THE BAND HAVE WORSHIPPED MORE THAN ONCE AT THE ALTAR OF WINO. WHAT WE HAVE HEAR IS MELODIC, GUITAR DRIVEN DOOM ROCK. NOT SO MUCH BLACK SABBATH AS THE OBSESSED OR EVEN MD SPIRITUAL STALWARTS LIFE BEYOND. IT'S ALTERNATELY HEAVY AND HAUNTING, AND HAS BOTH FEET FIRMLY ROOTED IN ALL THINGS 70'S. NO

HIGHFALUTIN' PRODUCTION, SAMPLES OR ATMOSPHERICS HERE. JUST THREE GUYS ROCKING OUT TO THE KIND OF MUSIC THEY LOVE BEST. AND THAT LOVE IS CLEARLY EVIDENT.

VOODOO SHOCK ALSO PAY A NICE TRIBUTE TO THE LEGENDARY ST. VITUS, WITH A BURNING RENDITION OF "PATRA (PETRA)", WHICH, BELIEVE IT OR NOT, MAY ACTUALLY BE SLOWER THAN THE ORIGINAL. AMAZING BUT TRUE.
