...making DOOM revolution...

## **WALL OF SLEEP - SUN FACED APOSTLES (PSY 018)**

STYLE - TRADITIONAL DOOM METAL IN THE SABBATH / WINO VEIN

2ND FULL LENGTH ALBUM FROM THE HUNGARIAN DOOMSTER.

FEATURES WINO ON ADDITIONAL GUITAR IN "FROM THE BOTTOM OF THESE DAYS"

WILL CAUSE DIZZINESS TO FANS OF: SPIRIT CARAVAN, SHEPHERD, LAS CRUCES, SOLITUDE AETURNUS, CATHEDRAL, AND THE MIGHTY BLACK SABBATH.

Classic Doom Metal, with huge riffs and an old-school Maryland Doom vibe. These guys really do channel the same spirit as classic OBSESSED and INTERNAL VOID! Old heads will particularly dig this. Featuring ex-members of defunct doom pioneers MOOD, these veterans bring the riffs dark and heavy, via early 70's style, bluesy melodic doomrock. Fans of such bands as Abdullah, Pentagram, Down, Orodruin, Trouble, Pale Divine, Voodoo Shock, any of Wino's bands, and especially PLACE OF SKULLS will want to grab this disc immediately. Another dope dose of true doom from psycheDOOMelic records!
