

STEREOCHRIST

LIVE LIKE A MAN (DIE AS A GOD)
(PSY 026)

Second album by the other half of Hungary's defunct doom maniacs MOOD, featuring Makó Dávid as the new throat.

Stereochrist tread across **Down**, **Sabbath** and **Trouble**, amongst others, as influences, and it shows strongly in their riffs and personality. A very southernish sound is present, which partially gives the Down comparison.

50 minutes of pulsating doom rock including Down's „Bury Me In Smoke” as superb bonus track.
